

Datasheet for: 623110

X-6000 DN 10 hydraulik hose 420bar

Hydraulic hoses type Flexline 6000 High flexible steel wire armour helical hose with reduced, bending radius, Hose construction: Core: oil resistant synthetic rubber, Inner tube: up to DN 25 four and from DN 31 on six steel wire armour helical of highest stability, Cover: abrasion-, ozone and weather resistant synthetic rubber, Temperature range (medium): -40 °C à +120 °C

Article Nb. (S)	623110
EAN/barcode	 623110
Your price	On request

Minimum order quantity

Price Unit	1

Productdata

Article description	Hydraulic hoses type Flexline 6000
Bending radius (mm)	110
Burst pressure (bar)	1680
Customs tariff number	40092100
DN	10
Dash	-06
Inch	3/8"
Inner-Ø (mm)	9,5
Outer-Ø (mm)	20,6
PRODUCT NUMBER	623110
Unit	M
Weight (kg)	0,72
Working pressure (bar)	420
